

LIPIGO®

Ensures a successful and safe weight loss and maintains the ideal body weight without risks of rebound.

FINALIST
NUTRA
INGREDIENTS ASIA
AWARDS 2020

Composition:

Postbiotic extracted from
Saccharomyces cerevisiae

Recommended daily dose: 3 sticks/day

Clinical evidence:

- ▶ Reduction in the absorption of ingested saturated fats. Almost 2 times more saturated fats excretion than control¹.
- ▶ 2.6 kg weight reduction and 1.4 cm waist reduction without alterations in dietary habits or physical activity².
- ▶ After initial 12 weeks, maintenance of body weight without lifestyle interventions for at least 1 year³.

5 kg

weight reduction
in 12 weeks

=

no rebound weight
gain after 1 year

100% natural

allergen-free

not modified
genetically

clinically proven

no side-effects
